

MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: [redacted] Request for Use of
War Documentation Folders

1. With the transfer of the War Documentation Project to CIA, Foreign Documents Division, Office of Operations, also took over the working folders to which [redacted] must have referred in his conversation with you. The German captured documents are still classified CONFIDENTIAL by the Department of the Army. The reports completed by the former War Documentation Project, which were based mainly on these working folders, were also classified CONFIDENTIAL.

2. Although [redacted] has adequate Agency clearance, I believe you should point out to him that certain documents have been classified by the Army and that this should be born in mind when preparing any unclassified publications.

[redacted]

GEORGE G. CAREY
